The mission of CASA of Denton County, Inc. is to provide trained community volunteers, to advocate for the best interests of abused and neglected children, and to promote community awareness about child abuse issues.

Court Appointed Special Advocates (CASA) of Denton County, Inc. is a volunteer-based non-profit organization serving the Denton County area. CASA volunteers are appointed by the court to serve as advocates for abused or neglected children removed from their homes by Child Protective Services (CPS). These volunteers investigate and monitor a child’s situation while in alternative or foster care. Within a twelve to eighteen month time period, they make a recommendation to the presiding judge as to what permanent placement would be in the best interest of the child.

Champions for CASA

Champions for CASA is a membership-based group made up of individuals who are dedicated to helping abused and neglected children reach safe and permanent homes by creating awareness, raising funds, and serving as an event volunteer base for CASA of Denton County.

Champions have the flexibility and opportunity to share their energy, talents, and strengths at their own pace all while making a difference in the North Texas community. It is ideal for individuals who are not at points in their lives where becoming a child advocate is feasible but want to be engaged. Champions for CASA creates opportunities for service, generates community awareness, and empowers members to champion the CASA mission while also choosing when and how often they want to volunteer.
