CASA is a proud member agency of the National CASA Association, Texas CASA, Inc., and the United Ways of Denton County and Metropolitan Dallas.

Dear CASA Supporter:

As we approach the end of the year, CASA of Denton County is working to fund one year of court advocacy for **50 children in 50 days**. You can help ensure every child in Denton County who enters the child welfare system will have a CASA when they need one. The approximate cost to fund one year of court advocacy for one child is \$2,000, but any amount will help provide our life-changing services for a child in the foster care system.

Our need is urgent! CASA has already seen a 30 percent increase in the number of children we are serving. COVID-19 has limited our funding opportunities, but the number of children who need an advocate continues to grow. By funding these 50 children, the community will help us serve more than 700 children this year in Denton County.

Every investment in CASA of Denton County increases our ability to serve more abused and neglected children in North Texas. Gifts of all sizes make a difference and are immeasurable to the life of a child navigating the child welfare system.

Help us meet our goal this year and change a child's story TODAY.

With my warmest wishes for you and your family,

Debbie Jensen

Executive Director
