Darci Toumberlin

CASA Board of Directors and Advisory Committee members recognized Child Abuse Prevention Month in April with local municipalities who issued official proclamations declaring April Child Abuse Prevention Month.

Top Funders in 2023

Evening of Elegance, our signature gala event, has raised more than \$2 million to provide advocates for children from Denton County affected by abuse and neglect since its founding in 1999. In 2023, we honored the Honorable Darlene Whitten, one of the original founders, as the honorary chair of the event.

Children from our community need advocates today.
